Date – Oct 27, 2025

Our Misson

“We work hard to take care of our family and yours by developing relationships and building our communities.”

What We Do

Zak's Group of Companies comprises of a Construction Division specializing in Residential and Cabinetry, Agricultural, and Commercial projects, as well as a Retail Home Hardware Division in Hague, Warman and Saskatoon.

Position

Join our skilled team in a fast-paced custom cabinet shop! We're looking for **Custom Cabinet Shop Staff** with an eye for detail and a passion for quality finishes. In our shop we build custom cabinets and mill interior doors. We are willing to train the right individual who is motivated and eager to learn. This position is based in Hague SK.

Responsibilities

- Fabricate and assemble custom cabinetry using woodworking tools and machinery according to design specifications.
- Read and interpret blueprints or technical drawings to ensure accurate construction and installation.
- Maintain a clean, safe, and organized workspace, following shop safety protocols.
- Inspect finished products for quality and accuracy, making adjustments as needed.
- Collaborate with team members and clients to meet project goals and ensure customer satisfaction.

Requirements

- Experience in woodworking or cabinetry or a passion to learn the trade.
- Proficiency with hand tools and woodworking machinery, with a strong focus on safety.
- Strong attention to detail and craftsmanship, ensuring high-quality finished products.

- Physical ability to lift materials, and work on feet stand for extended periods.

Zak's Offers

- Competitive wages
- Benefit plan
- RRSP/DPSP plan
- Lifestyle Spending Account
- Growth Opportunities

How to Apply

- Visit www.zaksbuilding.com/careers/, and fill out the form and attached your resume.
- In-Person at 101 South Access Road, Hague, SK.
